Kelly, Nancy	English 9, English 11	826-8378; leave message and phone number to return call nkelly@omaksd.org nkelly@g.omaksd.org	<ol style="list-style-type: none"> 1. I gave students an assignment packet on March 16, 2020. I went over the packet with all students and answered any questions. 2. Students should be working on those assignments at this time. 3. I will check my email each weekday to answer questions for students and parents concerning the work. (I have already done this for a few students.) 4. Assignments due: April 27th (except the book report and more time will be given and explained after spring break). Students can send completed work to me at my email addresses. Students need to remember to carefully label each assignment for me before submitting--follow the instructions in the packet. 5. On-time packet work will be graded by April 28th for extra credit.
Lamb, David	General PE, Adv. Use the mpecha@g.omaksd.org I am posting materials for fun and for review on Google Classroom. Be sure to check the CLASSWORK TAB (It is more organized.)</p>
<p>Peterson, Tanya</p>	<p>DigiTools, Digi/Comm Apps, Accounting</p>	<p>826-8507; leave message and phone number to return call tpeterson@omaksd.org tpeterson@g.omaksd.org</p>	<p>DigiTools: I will be posting assignments to Google Classroom at the beginning of each week. Although this will not be using Microsoft Office, I felt that it would be very beneficial and relevant to you to continue learning using Google Docs, Sheets, and Slides. I encourage you to do as much as you can, so that you can continue your learning and keep your brains working. There is always something new to learn! Many things will be similar between the Google Applications and the Microsoft Applications, so it will be worth your while, and it might even be super fun ;-).</p> <p>Computer Applications: I will be posting the weekly assignments in Google Classroom at the beginning of each week. www.nglsync.cengage.com #1: If you have Microsoft Office, please finish the Word Module, and continue with Excel Module 1. #2: If you don't have Microsoft Office, please go through each Excel Module and complete the Pre-Test and the Exam.</p>

			<p>#3: You will see Google Assignments posted in here as well. These are meant for you, if you don't have access to Microsoft Office for the normal class assignments.</p> <p>Accounting: I will be posting the weekly assignments in Google Classroom at the beginning of each week. www.nglsync.cengage.com I would like to strongly encourage you to continue with your Accounting as best as you can. I challenge you to complete Chapter 11 by Sunday, 4/5 (that's 1 week). Although, at this time it is "not graded", when we return, it would be helpful to not have so much to do. And, as we return and cover this material, it will be graded at some point. I can award college credit to those who maintained a B or better both semesters AND make it through Chapter 13-15ish by the end of the year. Just in case we don't come back, I would continue through your work to the best of your ability.</p>
<p>Popelier, Nick</p>	<p>Highlands High School</p>	<p>826-8366; leave message and phone number to return call npopelier@omaksd.org npopelier@g.omaksd.org</p>	<p>All students working on credit recovery at Highlands are expected to complete the course(s) they are working on during this time away from the district. The students were able to take home everything needed to continue their work away from school. Mr. Simmons and Mr. Popelier are working in the classroom most days Monday through Thursday from 8:30-11:30. All Highlands students have received at least one email from their Highlands teacher on their School Gmail account. Many students have not responded to these emails as of now. If your student hopes to earn their recovery credit, please have them correspond with their teacher via email, or call the classroom directly. The teachers can help manage exchanging completed work, new work, textbooks, questions on assignments, etc.</p>

Quick, Paul	Ag Carpentry, Ag Welding, Engineering, 9 th CTE Exploratory	826-8362; leave message and phone number to return call pquick@omaksd.org pquick@g.omaksd.org	Enrichment for learning/ assignment for Engineering is to use Inkscape to design a marketable 2-D Vector logo to be cut on CNC laser cutter when we return to school.
Sackman, Nick	Integrated Math, Geometry	826-8513; leave message and phone number to return call nsackman@omaksd.org nsackman@g.omaksd.org	All my students in both Geometry and Integrated Math have Big Ideas math assignments they can work on. These assignments are online. They can email me directly and I can help them with login problems. All students have used this all year in my classes. There are 23 assignments for them to complete.
Simmons, Eric	Highlands High School	826-8547; leave message and phone number to return call esimmons@omaksd.org esimmons@g.omaksd.org	All students working on credit recovery at Highlands are expected to complete the course(s) they are working on during this time away from the district. The students were able to take home everything needed to continue their work away from school. Mr. Simmons and Mr. Popelier are working in the classroom most days Monday through Thursday from 8:30-11:30. All Highlands students have received at least one email from their Highlands teacher on their School Gmail account. Many students have not responded to these emails as of now. If your student hopes to earn their recovery credit, please have them correspond with their teacher via email, or call the classroom directly. The teachers can help manage exchanging completed work, new work, textbooks, questions on assignments, etc.
Smith, Randy	Auto I, Auto II/III, Leadership, 9 th CTE Exploratory	826-8364; leave message and phone number to return call rsmith@omaksd.org rsmith@g.omaksd.org	Auto: Content posted on Thursday afternoon @ 4:00 pm. Office hours on Fridays 2:00 pm -3:00 pm. Leadership: Content posted on Wednesdays @ 8:00 am. Office hours Thursdays 2:00- 3:00 pm.

			I check both Gmail and Outlook daily M-F at about 8:00 am, noon, and 3:00 pm and occasionally on the weekends.
Striggow, Mike	CWP, AP US History, US History	826-8381; leave message and phone number to return call mstriggow@omaksd.org mstriggow@g.omaksd.org	I will be posting assignments to Google Classroom every Monday. I have office hours on Tuesday and can be reached by email, or I will try to set up Zoom meetings or use Google Meet to communicate with students. I have posted assignments in Google Classroom that can be done for extra credit and I will continue to do so. In most cases, if they do those assignments, they will be able to pass my class.
Werner, Chris	CWP, World History, Psychology	826-8377; leave message and phone number to return call cwerner@omaksd.org cwerner@g.omaksd.org	Monday, assignments will be posted in Google Classroom. I will be online from 10-12 Monday and Tuesday to introduce the assignment and field questions. This will be in Google Classroom, email, and either Zoom or Meet. All assignments are due by 8 AM on Friday for extra credit. Late assignments will not be accepted. If you would like to set up a meeting, feel free to email or call to set up your time. Thank you!
Wilson, Joy	Adulting 101, Beginning Foods, Health	826-8512; leave message and phone number to return call jowilson@omaksd.org jowilson@g.omaksd.org	Enrichment assignments were given on Mar 16. If you need more copies, or didn't get it, let me know and I will send them to you. I put an assignment in Google Classroom for us to visit with each other during this virus. Check Google Classroom every Monday, I will be adding to the assignments. Be healthy, eat right, get plenty of sleep and exercise. Let me know how you are doing.
